Limited Warranty

Redx Technology Australia Pty Ltd gives the following limited standard and extended warranties against defects set out in these terms and conditions. These warranties are applicable only for Australia and New Zealand for the following energy storage systems:

RX-5006Plus | 7006Plus | 5010Plus | 7010Plus | 5013Plus | 7013Plus

Redx's standard and extended warranties are only provided to the original purchaser of the storage system and accessory from Redx (**purchaser**), or where the purchaser is a distributor, solar retailer or clean energy council accredited electrician (**installer**), who on-supplies the storage system and accessory to another party, to that other-party (**end-user**).

Redx's standard and extended warranties are not otherwise transferable.

Redx warrants, on the terms and conditions set out below, that:

- The storage system will be free from defects in materials and workmanship of ten (10) years with 70% usable capacity or 5000 full warranty cycle from the date of purchase of the relevant storage system or the date of installation if date of purchase was earlier, but no more than eleven (11) years from the manufacturing date of that storage system (whichever comes first).
- The end user must provide the valid purchase invoice to verify the date of purchase.

If the end user fails to provide the valid purchasing invoice or fails to register online (within 60 months of purchase date), the standard warranty period for the listed products will be 60 months (5 years) from the date of production from Redx Technology Australia Pty Ltd.

- Device warranty consists of 10 years on site warranty from the date of purchase invoice or the date of installation if date of purchase was earlier.
- The warranty covers the battery within an operating temperature range of -10°C to 50°C and guarantees a minimum cumulative energy throughput equivalent to 2.8 MWh per kWh of usable battery capacity.
